INHAA is the only association in Illinois designed specifically for the benefit of the administrator. Yearly memberships are \$100, beginning on January 1 and ending on December 31.

Meetings and Seminars

Educational seminars, the heart of the Association for both administrators and nurses, are held quarterly. The Annual Convention, with a vendor trade show, is held in the fall.

The Illinois Nursing Home Administrator's Association is an approved "Continuing Education Sponsor" with the Illinois Department of Financial and Professional Regulation for administrators and nurses. Educational credits (CEUs) provided by INHAA are in excess of 30 per year. INHAA tracks CEUs for its members during the current licensure period for INHAA sponsored conferences.

Publications and Communications

The Administrators' Advocate is the Association's monthly newsletter. Regular articles that appear in the newsletter consist of legislative reports, legal issues, regulatory updates, and a classified section or employment opportunities. Space is also available for profession related advertising.

Additional member communications consist of notification of educational conferences held by the Association including the annual convention and trade show. Supplemental information is sent to members via fax and email as deemed timely and appropriate by the INHAA Board of Directors.
