CALLING ALL INHAA MEMBERS! WHATS HAPPENING IN YOUR FACILITY?

INHAA would like to hear about your facility. Maybe you just celebrated a staff person's work anniversary or maybe your facility just underwent an expansion project and now have new space to show off. Are you celebrating achievements of a certain staff member with an "employee of the month" celebration? Has your company recently celebrated a milestone? Would you simply like to get your name out there among your fellow INHAA members?

We want to hear about success stories or new things that might be happening in your workplace. Please send information and photos to the INHAA coordinator, Vicki Wiltsie at vwiltsie@inhaa.org. We think our members will enjoy seeing what others are doing in their facilities. This is a great opportunity to highlight your accomplishments!

Healthcare and Family Services (HFS) is establishing a process for Long Term Care (LTC) providers to inquire and follow up on LTC Admission Transactions that were rejected by the State without notification being sent to the LTC provider. From March 2016 through October 2018, notification letters were not consistently sent to LTC providers when an admission transaction was rejected.
